

STOP!

Read this sign before you go through the door.

ISRAEL NEEDS OUR HELP.

Our brothers and sisters in Israel are under attack. When a soldier is under attack and undertaking a mission, he or she must be completely focused on their objective to stay alive. Each day, we do our part to protect our citizens and soldiers by davening and learning in this holy space. Before you enter this room, have this in mind.

AS YOU PREPARE TO EMBARK ON YOUR MISSION:

- TURN OFF YOUR PHONE, PUT IT AWAY BEFORE YOU ENTER.
- RESOLVE NOT TO TALK WHILE IN SHUL.
